PRAYER Time in school...Both morning and after school prayers are an Integral Part of education. The new concept of prayer time "EXAMEN" is a pathway to God...Seeking blessings of the DIVINE and starting the day, and seeking Forgiveness at the end of school are values taught in the form of "EXAMEN". EXAMEN time is for reflection back over the day, evaluating some thoughts and conduct which might have caused hurt...Resolving to make tomorrow better, seeking harmony with fellow human beings, with Nature, with the Environment, with all life

ENTRY : With dreams in our eyes, ready to explore, here we come to our dear school...

PRAYER TIME

We give you thanks...Almighty God

Eternal God, Creator of All...

STUDY TIME : Learning is not attained by chance; it must be sought for with ardour and attended to with diligence

RECESS TIME : "Recess time is fun time"Every child should have time for arts, music, sports, drama, robotics, school newspapers and the like, not to mention recess and play.

Play is so integral to childhood that a child who does not have the opportunities to play is cut off from a major portion of childhood.
- Russell White
